Manager's Lowdown

Hi All -

Chanel here. Our fearless leader (who is fully vaccinated) has come down with COVID. She is at home resting and keeping an eye on things remotely. Please send healing vibes her way. Expect a beefier lowdown from her next month.

Member News

As well as a Leap into Science Light and Shadow workshop, and comedic magic performance by Cowgirl Jan (Jan Sandwich), fun stunts by Juggler James Reid, and informative presentations by both Pet Partners (who will now be offering Read with Me programs at CVPL) and Chino Valley Canine Club! We had a big finale party in the park with lots of fun active large-motor games for kids too, such as potato sack races and giant volleyball and can stilts set up to pretend to be different types of animals. It has been a fun summer.

Prioritization

Priority One: Resolve Current Help Desk Requests

A help desk request, or work order, is the submission of a problem that one encounters during the normal operation of a YLN service. Requests are generally submitted via e-mail to help@yln.info. If a request is submitted via telephone, then a YLN staff person will create the request for the submitter. Help desk requests will always be our highest priority because in some cases a member library employee cannot complete a work function until the issue is resolved.

Total requests submitted: 79

Total requests resolved: 69

Total unresolved requests opened this month: 10

Total requests still open: 26

Priority Two: New OPAC - Aspen Discovery

After realizing shortcomings with our current OPAC, Enterprise, we have decided to switch to Aspen Discovery by ByWater Solutions.

Goal: Switch to Aspen Discovery

Project Lead: Valerie Burns

- Hire consultant to lead us through RFP process
- Put together RFP committee
- Define requirements for OPAC
- Publish RFP document
- Open vendor proposals
- Evaluate OPACs
- Implement Aspen Discovery
- Test and tweak Aspen Discovery
- Roll out Aspen Discovery

Priority Three: Get Up to Speed with VMWare

The YLN has taken over ownership of the VMWare servers from ITS which host Symphony and Enterprise. We need to learn how to admin VMWare and be prepared for emergencies.

Goal: Become versed in how VMWare works

Project Lead: Chanel Wheeler

- Watch LinkedIn Learning classes on VMWare
- Recover one file from ilstest
- Test full failover with ilstest
- Update vCenter
- Update ESXI hosts

Priority Four: Bring on Park View/Canyon View

Park View/Canyon View is a charter school (6 - 12) in Prescott Valley that wants to join the Network.

Goal: Integrate PVCV into the Network

Project Lead: Valerie Burns

- Determine library organization and system requirements
- Catalog materials
- Install WF at library
- Conduct training
- Go live

Note concerning prioritization: The priority of projects may shift as individual portions are completed.

Prioritization

Priority Five: Bring on Verde Valley Archaeology Center

The Verde Valley Archaeology Center is a special library that wants to join the Network.

Goal: Integrate VVAC into the Network

Project Lead: Valerie Burns

- Determine library organization and system requirements
- Catalog materials
- Install WF at library
- Conduct training
- Go live

Priority Six: Bring on Lake Valley Elementary School

The Lake Valley Elementary School is an HUSD school (K-6) in Prescott Valley that wants to join the Network.

Goal: Integrate LVES into the Network

Project Lead: Valerie Burns

- Determine library organization and system requirements
- Weed collection
- Load Follett bib records into Symphony
- Barcode and RFID-tag collection
- Install WF at library
- Conduct training
- Go live

Priority Seven: Bring on Humboldt Elementary School

The Humboldt Elementary School is an HUSD school (K-6) in Humboldt that wants to join the Network.

Goal: Integrate HES into the Network

Project Lead: Valerie Burns

- Determine library organization and system requirements
- Weed collection
- Load Follett bib records into Symphony
- Barcode and RFID-tag collection
- Install WF at library
- Conduct training
- Go live

Priority Eight: Bring on Mountain View Elementary School

The Mountain View Elementary School is an HUSD school (K-6) in Prescott Valley that wants to join the Network.

Goal: Integrate MVES into the Network

Project Lead: Valerie Burns

- Determine library organization and system requirements
- Weed collection
- Load Follett bib records into Symphony
- Barcode and RFID-tag collection
- Install WF at library
- Conduct training
- Go live

Priority Nine: Create New YLN Website

The YLN website is about eight years old and in need of a refresh. In addition, library staff have difficulties finding some material on the current site. Also, Drupal 7 & 8 are approaching end of life so it's time to move to Drupal 9.

Goal: Overhaul YLN website visually and architecturally

Project Lead: Valerie Burns

- Copy out archival material
- Set up test site
- Do card sorting exercise
- Upgrade to Drupal 9
- Design new YLN logo
- Create design for website
- Implement website design
- Distribute website in progress to pubserv for feedback
- Complete implementation
- Roll out to production

Prioritization

Priority Ten: Roll out Niche Academy

Niche Academy is a software product that allows anyone in the Network to create tutorial or videos for the public or for staff. You can share those videos on your website via a Niche widget.

Goal: Make Niche Academy available to the Network

Project Lead: Valerie Burns

- Set up Niche Academy
- Test the functionality on the YCFLD website
- Go live
- Promote to the Network
- Implement at interested libraries

Priority Eleven: Move to Message Bee

The Network has been having ongoing problems with patrons not receiving email notices because their email provider quietly rejects them. SirsiDynix has not been willing to tackle this problem. As a solution, the Network is moving to Unique MessageBee. Not only will notices be delivered reliably to patrons, they also can track whether the patron opened the email and if they clicked on links inside.

Goal: Move to a reliable email notice system

Project Lead: Chanel Wheeler

- Get quote from Unique
- Pick pilot library
- Sign agreement with Unique
- Set up pilot library with overdue, hold, and bill notices
- Roll out overdue, hold, and bill notices to all YLN libraries
- Set up pilot library with autorenewal notice
- Roll out autorenewal notice to all YLN libraries
- Roll out notices for K-12s

Priority Twelve: Move Servers from Ubuntu to RHEL

Our Ubuntu servers are not playing well with the Hyper-V host. Red Hat is better supported on Hyper-V. The District and ITS already bought two RHEL licenses. The Network will be buying the rest.

Goal: Move servers to RHEL so they will be more stable.

Project Lead: Chanel Wheeler

- Purchase RHEL licenses
- Move portal server to RHEL
- Move ylnstest server to RHEL
- Move district server to RHEL
- Move districttest server to RHEL
- Move help desk server to RHEL
- Move helptest server to RHEL
- Move optio server to RHEL
- Move authentication server to RHEL

Priority Thirteen: Improve Database Quality

Enhance the operation of the catalog for patrons and staff by improving material description, subject and genre access, and data integrity. These tasks are for materials already in Symphony.

Goal: Improve patron and staff search experience

Project Lead: Karen Straube

- Correct structurally invalid bibliographic records in Symphony
- Complete cataloging and descriptions of Adult Books
- Add Subject Headings and Genre Headings to bibliographic records that lack them
- Complete cataloging and description of YA Books
- Complete cataloging and descriptions of Adult non-book materials
- Complete cataloging and description of Youth non-book materials
- Clean-up genre headings to conform to current standards

Prioritization

Completed Projects CY21

- Subscribe to the New York Times
- Bring on Skull Valley Elementary
- Upgrade EZProxy

Cancelled/Postponed Projects CY21

- Implement Blue Cloud Cataloging
