Manager's Lowdown

Hi All -

Happy New Year! I'm not really sorry to see 2021 behind us. Let's hope for a happy, healthy 2022. Here are some of the items we've been working on:

- The lists were transferred successfully from Enterprise to Aspen. Our cutover date will be on January 25th, at which time the Enterprise catalog will no longer be accessible. We will continue to use the existing YLN mobile app until the Aspen Discovery mobile app (LiDA) has a few more features. I will keep you posted on its progress.
- By switching catalogs (Enterprise to Aspen), it is apparent that some of our data is in need of cleaning up. We will be automating most of the cleanup, if possible, but we may be asking you to manually look at portions of your data. Some things need a human touch.
- The next module we will implement on the Aspen catalog is the E-commerce module. I am exploring the different options and financial requirements for the 26 paying entities of the YLN.
- We are continuing to catalog the Seligman Unified and Ash Fork Joint Unified School District materials. Because of the distance to the office, we are transiting their books to the office weekly.
- We have upgraded our copy of LibGuides to the CMS version and plan to use it for YLN documentation and to replace our existing intranet.
- We have also purchased Snagit, which is screen capture software, to begin producing training videos for the YLN. We will start with some basic Workflows videos.
- We continue to upgrade and maintain our hardware and software in support of the YLN's infrastructure.
- I have a preliminary agreement for the public and academic libraries to begin offering Culture Pass. Some of our public libraries have an agreement already, but this one is for all the

YLN public and academic members. It is meant to simplify the paperwork for the consortium going forward.

- If you have received any equipment from the Emergency Connectivity Fund (ECF) you may notice that there are special archiving requirements for how the items circulate. We are investigating the legal requirements and will develop a procedure that complies with them.
- Ancestry is only available inside public libraries now. Does this signal the end of the pandemic?

Until next month,

Valerie Burns

Member News

No member news this month.

Prioritization

Priority One: Resolve Current Help Desk Requests

A help desk request, or work order, is the submission of a problem that one encounters during the normal operation of a YLN service. Requests are generally submitted via e-mail to help@yln.info. If a request is submitted via telephone, then a YLN staff person will create the request for the submitter. Help desk requests will always be our highest priority because in some cases a member library employee cannot complete a work function until the issue is resolved.

Total requests submitted: 137

Total requests resolved: 114

Total unresolved requests opened this month: 23

Total requests still open: 34

Priority Two: New OPAC - Aspen Discovery

After realizing shortcomings with our current OPAC, Enterprise, we have decided to switch to Aspen Discovery by ByWater Solutions.

Goal: Switch to Aspen Discovery

Project Lead: Valerie Burns

- Hire consultant to lead us through RFP process
- Put together RFP committee
- Define requirements for OPAC
- Publish RFP document
- Open vendor proposals
- Evaluate OPACs
- Implement Aspen Discovery
- Test and tweak Aspen Discovery
- Roll out Aspen Discovery

Priority Three: Bring on Ash Fork Unified School District

AFSD is a K-12 school district in Ash Fork that wants to join the Network.

Goal: Integrate AFSD into the Network

Project Lead: Valerie Burns

- Determine library organization and system requirements
- Catalog materials
- Set up auto-import of students
- Install WF at library
- Conduct training
- Go live

Priority Four: Bring on Seligman Unified School District

SUSD is a K-12 school district in Seligman that wants to join the Network.

Goal: Integrate SUSD into the Network

Project Lead: Valerie Burns

- Determine library organization and system requirements
- Catalog materials
- Set up auto-import of students
- Install WF at library
- Conduct training
- Go live

Note concerning prioritization: The priority of projects may shift as individual portions are completed.

Prioritization

Priority Five: Bring on Park View/Canyon View

Park View/Canyon View is a charter school (6 - 12) in Prescott Valley that wants to join the Network.

Goal: Integrate PVCV into the Network

Project Lead: Valerie Burns

- Determine library organization and system requirements
- Catalog materials
- Set up auto-import of students
- Install WF at library
- Conduct training
- Go live

Priority Seven: Create New YLN Website

The YLN website is about eight years old and in need of a refresh. Instead of using Drupal for the new site, we are going to use LibGuides CMS.

Goal: Overhaul YLN website visually and architecturally

Project Lead: Valerie Burns

- Copy out archival material
- Do card sorting exercise
- Design new YLN logo
- Get up to speed with LibGuides CMS
- Create design for website
- Implement website design
- Distribute website in progress to pubserv for feedback
- Complete implementation
- Roll out to production

Priority Six: Bring on Verde Valley Archaeology Center

The Verde Valley Archaeology Center is a special library that wants to join the Network.

Goal: Integrate VVAC into the Network

Project Lead: Valerie Burns

- Determine library organization and system requirements
- Catalog materials
- Install WF at library
- Conduct training
- Go live

Priority Eight: Roll out Niche Academy

Niche Academy is a software product that allows anyone in the Network to create tutorial or videos for the public or for staff. You can share those videos on your website via a Niche widget.

Goal: Make Niche Academy available to the Network

Project Lead: Valerie Burns

- Set up Niche Academy
- Test the functionality on the YCFLD website
- Go live
- Promote to the Network
- Implement at interested libraries

Prioritization

Priority Nine: Move Servers from Ubuntu to RHEL

Our Ubuntu servers are not playing well with the Hyper-V host. Red Hat is better supported on Hyper-V. The District and ITS already bought two RHEL licenses. The Network will be buying the rest.

Goal: Move servers to RHEL so they will be more stable.

Project Lead: Chanel Wheeler

- Purchase RHEL licenses
- Move portal server to RHEL
- Move ylnstest server to RHEL
- Move district server to RHEL
- Move districttest server to RHEL
- Move help desk server to RHEL
- Move helptest server to RHEL
- Move optio server to RHEL
- Move authentication server to RHEL

Priority Ten: Improve Database Quality

Enhance the operation of the catalog for patrons and staff by improving material description, subject and genre access, and data integrity. These tasks are for materials already in Symphony.

Goal: Improve patron and staff search experience

Project Lead: Karie Straube

- Correct structurally invalid bibliographic records in Symphony
- Complete cataloging and descriptions of Adult Books
- Add Subject Headings and Genre Headings to bibliographic records that lack them
- Complete cataloging and description of YA Books
- Complete cataloging and descriptions of Adult non-book materials
- Complete cataloging and description of Youth non-book materials
- Clean-up genre headings to conform to current standards

Completed Projects CY21

- Subscribe to the New York Times
- Bring on Skull Valley Elementary
- Upgrade EZProxy
- Bring on Lake Valley Elementary School
- Bring on Humboldt Elementary School
- Bring on Mountain View Elementary School
- Move to Message Bee

Cancelled/Postponed Projects CY21

- Implement Blue Cloud Cataloging
- Get Up to Speed with VMWare (this has been taken over by ITS)
